**SUPERIOR PERFORMANCE THROUGH INNOVATIVE TECHNOLOGY**

# Grinding Media

## Cast to Last

Vega Industries is globally the largest manufacturer of high quality wear resistant parts. ISO 9001:2015 certified.

### Salient Features

- Optimum metallurgy
- High hardness across cross-section
- Wide range of alloys
- Higher pressure moulding systems

### Key Benefits

Reduced wear rate

No breakage

Consistent mill performance

Increased mill availability

Savings in operating cost

### Alloys

Alloy	Grade	%C	%Cr	Hardness	Application
Vega Tough	VT18   VFx   VEGA <sup>Plus</sup> & more	2.0 - 3.5	12 - 22	57 - 65 Rc	Crushing
Vega Hard	VH12   VH15   VSx & more	2.5 - 3.5	10 - 21	60 - 69 Rc	Grinding
Vega Hard	VH27	2.5 - 3.0	25 - 28	60 - 69 Rc	Specific applications
