Dear Sir/Madam,

**Sub: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

Pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements), Regulation 2015, we would like to inform you that Ministry of Development in Brazil has initiated an antidumping investigation on exports of certain grades of grinding media exported from India into Brazil. They have imposed an interim duty that accounts to US\$ 359.16/Mt which is to be paid by the importer. We are fully co-operating with the trade remedies department for a thorough investigation into our data. We expect the final decision to be publicly available by May 2018.

At present, our annual sales quantities to the customers in Brazil are around 15000 Tons. While our contracted supplies continue un-affected, the impact of the above anti-dumping investigation is not quantifiable pending completion of the review process.

The information is issued to the members of the Stock Exchanges and in the interest of the public at large.

Thanking you.

Yours faithfully,  
For AIA Engineering Limited
