- RATIONALE AND OBJECTIVE OF THE DELISTING OFFER
- In terms of Regulation 8(3)(a) of the SEBI Delisting Regulations, the rationale for the Delisting Proposal is as follows:

- his Detailed Public Announcement ("Detailed Public Announcement" or "DPA") is being issued by Vivro 2.1.1. The larget Company is a Subsidiary Company of the Acquirer and is having its manufacturing facility located at Bangalore in Karnataka which was set up several years ago. The Target Company is manufacturing one particular product i.e. Grinding Media primarily for the Acquirer on an exclusive outsourcing basis. The Acquirer has its own state of the art plants primarily in Gujarat and over last few years, Acquirer has made significant investments for capacity augmentation in its own plants. This has resulted into a progressively lower production volumes being outsourced by the Acquirer to the Target Company. Further, going forward, in the foreseeable future, there is no possibility of any material technology upgradation or modernisation project being undertaken in the Target Company's facility. The manufacturing operations of the Target Company has thus now diminished to significant levels and as such, it does not make any commercial sense or justification for continuing the listed status of the Target Company, more so given the fact that the Acquirer, a holding company is also a listed company.
  - 2.1.2. The proposed Delisting Offer would enable the Acquirer to obtain full ownership of the Target Company;
  - 2.1.3. The Delisting Offer will provide the Public Shareholders an opportunity to realize immediately a certain value for their Equity Shares. The price will be determined in accordance with the reverse book building mechanism set out in the SEBI Delisting Regulations; and
  - 2.1.4. The Delisting of Equity Shares will result in reduction of the ongoing compliance costs and reducing the management time to comply with stock exchange requirements and listing regulations.

- NOTE ON TAXATION

onerous are imposed in respect of such approvals.

Under current Indian tax laws and regulations, capital gains arising from the sale of the equity shares of an Indian company are generally taxable in India.

Capital gain arising from sale of listed equity shares in a company made on a recognized stock exchange on or after October 1, 2004, and on which Securities Transaction Tax ('STT') was paid at the time of sale, was earlier exempt from tax provided that the equity shares were held for more than 12 months. The Finance Act, 2017 had amended Income Tax Act, 1961, as amended ("IT Act") to provide that the said exemption was available only if STT is paid both at the time of purchase and sale of such equity shares, subject to certain exceptions notified by the Central Government of India.

The Finance Act, 2018 has withdrawn the above capital gain tax exemption with effect from April 1, 2018, for any transfer of listed equity shares in a company, held for more than 12 months, on a recognized stock exchange occurring on or after April 1, 2018, the capital gain exceeding ₹ 1,00,000/- (Indian Rupees One Lakhs Only) are now taxable at a rate of 10%, subject to satisfaction of certain conditions

STT will be levied on and collected by a domestic stock exchange on which the equity shares are sold. Further, any gain realized on the sale of listed equity shares held for a period of 12 months or less which are sold, will be subject to short term capital gains tax @15% provided the transaction is chargeable to STT.

### Tax deduction of source:

In case of resident shareholders: In absence of any specific provision under the IT Act, the Acquirer shall not deduct tax on the consideration payable to resident shareholders pursuant to the Delisting Offer. In case of non-resident shareholders: Under the existing Indian tax laws, any sum paid to a non-resident which is chargeable to tax under the provisions of IT Act is subject to deduction of tax at source, except for capital gains realized by the foreign portfolio investors or such gains/income which are exempt from tax. Since the acquisition of Offer Shares pursuant to the delisting process is through the stock exchange mechanism, the Acquirer will not be able to withhold any taxes, and thus the Acquirer believe that the responsibility of withholding/discharge of the taxes due on such gains (if any) is solely on the

custodians/authorized dealers/non-resident shareholders without recourse to the Acquirer. It is therefore important that the non-resident shareholders consult their custodian/authorized dealers/tax advisors appropriately and immediately pay taxes in India (either through deduction at source or otherwise). In the event the Acquirer is held liable for the shareholder, the same shall be to the account of the shareholder and to that extent the Acquirer is entitled to be indemnified.

Post delisting, the Equity Shares would be treated as unlisted shares and therefore, capital gain on sale of such unlisted Equity Shares (held for more than 24 months) would be taxable at 20% (plus surcharge and health and education cess) for residents in India and at 10% (plus surcharge and health and education cess) for non-resident in India. For Offer Shares held for 24 months or less, capital gain would be taxable at ordinary rate applicable for the shareholder. The provision of gain up to January 31, 2018, being grandfathered would not be applicable and therefore the cost of acquisition for Residual Public Shareholders would be price paid by Residual Public Shareholder for acquisition of Offer Shares. Please note while the resident shareholders are allowed the benefit of indexation on their original cost of acquisition, no such benefit is applicable for non-resident shareholders.

On purchase of Offer Sharers from non-resident Residual Public Shareholders, the Acquirer would be required to deduct tax at source from the sale consideration unless the Residual Public Shareholder obtain a Nil Deduction Certificate from the tax authorities and furnish the same to the pay or prior to the remittance of the sale consideration. The amount of taxes deducted and deposited by the Acquirer can be claimed as credit by the Residual Public Shareholder against its final tax liability

The above tax rates are subject to applicable rate of surcharge, health and education cess. The tax rate and other provisions may undergo changes.

Shareholders are advised to consult their tax advisor for the treatment that may be given by their respective income tax assessing authorities in their case and the appropriate course of action that they should take. The judicial and the administrative interpretation thereof, are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions, any such change could have different income tax implications. This note on taxation sets out the provisions of law in a summary manner only and is not a complete analysis or listing of all potential tax consequences of the disposal of equity shares. The implications are also dependent on the shareholders fulfilling the conditions prescribed under the provision of the relevant sections under the relevant tax laws, the Acquirer neither accept nor hold any responsibility for any tax liability arising to any shareholders as a reason of the Delisting Offer.

**NOTE ON TAXATION** 

Under current Indian tax laws and regulations, capital gains arising from the sale of the equity shares of an Indian company are generally taxable in India.

Capital gain arising from sale of listed equity shares in a company made on a recognized stock exchange on or after October 1, 2004, and on which Securities Transaction Tax ('STT') was paid at the time of sale, was earlier exempt from tax provided that the equity shares were held for more than 12 months. The Finance Act, 2017 had amended Income Tax Act, 1961, as amended ("IT Act") to provide that the said exemption was available only if STT is paid both at the time of purchase and sale of such equity shares, subject to certain exceptions notified by the Central Government of India.

The Finance Act, 2018 has withdrawn the above capital gain tax exemption with effect from April 1, 2018, for any transfer of listed equity shares in a company, held for more than 12 months, on a recognized stock exchange occurring on or after April 1, 2018, the capital gain exceeding ₹ 1,00,000/- (Indian Rupees One Lakhs Only) are now taxable at a rate of 10%, subject to satisfaction of certain conditions.

STT will be levied on and collected by a domestic stock exchange on which the equity shares are sold. Further, any gain realized on the sale of listed equity shares held for a period of 12 months or less which are sold, will be subject to short term capital gains tax @15% provided the transaction is chargeable to STT. Tax deduction of source:

In case of resident shareholders: In absence of any specific provision under the IT Act, the Acquirer shall not deduct tax on the consideration payable to resident shareholders pursuant to the Delisting Offer.

**In case of non-resident shareholders:** Under the existing Indian tax laws, any sum paid to a non-resident **29**. which is chargeable to tax under the provisions of IT Act is subject to deduction of tax at source, except for capital gains realized by the foreign portfolio investors or such gains/income which are exempt from tax. Since the acquisition of Offer Shares pursuant to the delisting process is through the stock exchange mechanism, the Acquirer will not be able to withhold any taxes, and thus the Acquirer believe that the responsibility of withholding/discharge of the taxes due on such gains (if any) is solely on the custodians/authorized dealers/non-resident shareholders without recourse to the Acquirer.

It is therefore important that the non-resident shareholders consult their custodian/authorized dealers/tax advisors appropriately and immediately pay taxes in India (either through deduction at source or otherwise). In the event the Acquirer is held liable for the shareholder, the same shall be to the account of the shareholder and to that extent the Acquirer is entitled to be indemnified.

Post delisting, the Equity Shares would be treated as unlisted shares and therefore, capital gain on sale of such unlisted Equity Shares (held for more than 24 months) would be taxable at 20% (plus surcharge and health and education cess) for residents in India and at 10% (plus surcharge and health and education cess) for non-resident in India. For Offer Shares held for 24 months or less, capital gain would be taxable at ordinary rate applicable for the shareholder. The provision of gain up to January 31, 2018, being grandfathered would not be applicable and therefore the cost of acquisition for Residual Public Shareholders would be price paid by Residual Public Shareholder for acquisition of Offer Shares. Please note while the resident shareholders are allowed the benefit of indexation on their original cost of acquisition, no such benefit is applicable for non-resident shareholders.

On purchase of Offer Sharers from non-resident Residual Public Shareholders, the Acquirer would be required to deduct tax at source from the sale consideration unless the Residual Public Shareholder obtain a Nil Deduction Certificate from the tax authorities and furnish the same to the pay or prior to the remittance of the sale consideration. The amount of taxes deducted and deposited by the Acquirer can be claimed as credit by the Residual Public Shareholder against its final tax liability.

The above tax rates are subject to applicable rate of surcharge, health and education cess. The tax rate and other provisions may undergo changes.

Shareholders are advised to consult their tax advisor for the treatment that may be given by their respective income tax assessing authorities in their case and the appropriate course of action that they should take. The judicial and the administrative interpretation thereof, are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions, any such change could have different income tax implications. This note on taxation sets out the provisions of law in a summary manner only and is not a complete analysis or listing of all potential tax consequences of the disposal of equity shares. The implications are also dependent on the shareholders fulfilling the conditions prescribed under the provision of the relevant sections under the relevant tax laws, the Acquirer neither accept nor hold any responsibility for any tax liability arising to any shareholders as a reason of the Delisting Offer.

The Manager to the Offer acting for and on behalf of the Acquirer will inform the Public Shareholders of amendments or modifications, if any, to the information set out in this DPA by way of a corrigendum that will be published in the aforementioned newspapers in which this DPA is being published.
- 1.15. The Delisting Offer is subject to the acceptance of the Discovered Price (as defined below in paragraph 15.1 below), determined in accordance with the SEBI Delisting Regulations by the Acquirer. The Acquirer may also, at its sole and absolute discretion, propose: (a) a price higher than the Discovered Price for the purposes of the Delisting Offer; or (b) a price which is lower than the Discovered Price but not less than the book value of the Company as certified by the Manager to the Delisting Offer in terms of Regulation 22(5) of the SEBI Delisting Regulations ("Counter Offer Price"). The "Exit Price" shall be: (i) the Discovered Price, if accepted by the Acquirer; or (ii) the Indicative Price, if it is higher than the Discovered Price; or (iii) a price higher than the Discovered Price, if offered by the Acquirer at its sole and absolute discretion; or (iv) the Counter Offer Price offered by the Acquirer at its sole and absolute discretion which, pursuant to acceptance and/or rejection by the Public Shareholders, results in the cumulative shareholding of the Acquirer of the Company reaching 90.00% of the Equity Share Capital of the Company excluding Equity Shares held by such persons as mentioned in paragraph 14.3 below.
- The Acquirer reserves the right to withdraw the Delisting Offer in certain cases as set out in paragraph 24.6
- As per Regulations 28 of the SEBI Delisting Regulations, the Board is required to constitute a Committee of Independent Directors to provide its written reasoned recommendation on the Delisting Offer and such recommendations shall be published at least 2 (two) Working Days before the commencement of the Bid Period (as defined below) in the same newspapers where this DPA is published, and simultaneously, a  $copy\ of\ the\ same\ shall\ be\ sent\ to\ the\ Stock\ Exchange\ and\ the\ Manager\ to\ the\ Delisting\ Offer.$
- RATIONALE AND OBJECTIVE OF THE DELISTING OFFER
- In terms of Regulation 8(3)(a) of the SEBI Delisting Regulations, the rationale for the Delisting Proposal is as follows:

- The Target Company is a Subsidiary Company of the Acquirer and is having its manufacturing facility located at Bangalore in Karnataka which was set up several years ago. The Target Company is manufacturing one particular product i.e. Grinding Media primarily for the Acquirer on an exclusive outsourcing basis. The Acquirer has its own state of the art plants primarily in Gujarat and over last few years, Acquirer has made significant investments for capacity augmentation in its own plants. This has resulted into a progressively lower production volumes being outsourced by the Acquirer to the Target Company. Further, going forward, in the foreseeable future, there is no possibility of any material technology upgradation or modernisation project being undertaken in the Target Company's facility. The manufacturing operations of the Target Company has thus now diminished to significant levels and as such, it does not make any commercial sense or justification for continuing the listed status of the Target Company, more so given the fact that the Acquirer, a holding company is also a listed company.
- 2.1.2. The proposed Delisting Offer would enable the Acquirer to obtain full ownership of the Target Company; 2.1.3. The Delisting Offer will provide the Public Shareholders an opportunity to realize immediately a certain
- value for their Equity Shares. The price will be determined in accordance with the reverse book building mechanism set out in the SEBI Delisting Regulations; and
- 2.1.4. The Delisting of Equity Shares will result in reduction of the ongoing compliance costs and reducing the management time to comply with stock exchange requirements and listing regulations

Upon finalization of the basis of acceptance as per SEBI Delisting Regulations:

- The settlement of trades shall be carried out in the manner similar to settlement of trades in the
  - The Acquirer shall pay the consideration payable towards purchase of the Offer Shares accepted during the Delisting Offer, to the Buyer Broker who in turn will transfer the funds to the Clearing Corporation, on or before the pay-in date for settlement as per the secondary market mechanism. For the Offer Shares acquired in dematerialised form, the Public Shareholders will receive the consideration in their bank account attached to the DP account from the Clearing Corporation. If bank account details of any Public Shareholder are not available or if the fund transfer instruction is rejected by the Reserve Bank of India ("RBI") or the relevant bank, due to any reason, then the amount payable to the relevant Public Shareholder will be transferred to the concerned Seller Members for onward transfer to such Public Shareholder. For the Offer Shares acquired in physical form, the Clearing Corporation will release the funds to the Seller Member as per the secondary market mechanism for onward transfer to Public Shareholders.
- In case of certain client types viz. non-resident Indians, non-resident clients etc. (where there are specific RBI and other regulatory requirements pertaining to funds pay-out) who do not opt to settle through custodians, the funds pay-out will be given to their respective Seller Member's settlement accounts for releasing the same to their respective Public Shareholder's account onward. For this purpose, the client type details will be collected from the depositories whereas funds pay-out pertaining to the bids settled through custodians will be transferred to the settlement bank account of the custodian, each in accordance with the applicable mechanism prescribed by BSE and the Clearing Corporation from time to time.
- The Offer Shares acquired in dematerialised form would either be transferred directly to the account of the Acquirer provided it is indicated by the Buyer Broker or it will be transferred by the Buyer Broker to the account of the Acquirer on receipt of the Offer Shares pursuant to the clearing and settlement mechanism of BSE. Offer Shares acquired in physical form will be transferred directly to the Acquirer by the Registrar to the Offer.
- Upon finalization of the entitlement, only accepted quantity of Equity Shares shall be debited from the demat account of the Public Shareholders. In case of unaccepted dematerialised Offer Shares, if any, tendered by the Public Shareholders, the lien marked against unaccepted Offer Shares shall be released by the Clearing Corporation, as part of the exchange pay-out process. Offer Shares tendered in physical form will be returned to the respective Public Shareholders directly by Registrar to the Offer.
- The Seller Member would issue a contract note and pay the consideration to the respective Public Shareholder whose Offer Shares are accepted under the Delisting Offer. The Buying Broker would also issue a contract note to the Acquirer for the Offer Shares accepted under the Delisting Offer.
  - Public Shareholders who intend to participate in the Delisting Offer should consult their respective Seller Member for payment of any costs, charges and expenses (including brokerage) that may be levied by the Seller Member upon the Public Shareholders for tendering their Offer Shares in the Delisting Offer (secondary market transaction). The consideration received by the Public Shareholders from their respective Seller Member, in respect of accepted Offer Shares, could be net of such costs, charges and expenses (including brokerage) and the Acquirer, the Company, the Manager to the Delisting Offer and the Registrar to the Offer accept no responsibility to bear or pay such additional costs, charges and expenses (including brokerage) incurred by the Public Shareholders.
  - If the price payable in terms of Regulation 24(1) of the SEBI Delisting Regulations is not paid to all the shareholders within the time specified thereunder, Acquirer shall be liable to pay interest at the rate of 10% per annum to all the Public Shareholders, whose Offer Shares have been accepted in the Delisting Offer, as per Regulation 24(2) of the SEBI Delisting Regulations. However, in case the delay was not attributable to any act or omission of the Acquirer or was caused due to circumstances beyond the control of Acquirer, SEBI may grant waiver from the payment of such interest.

To the best of the Acquirer's knowledge, as on the date of this DPA, there are no statutory or regulatory approvals required to acquire the Offer Shares and to implement the Delisting Offer, other than as indicated above. If any statutory or regulatory approvals become applicable, the acquisition of the Offer Shares by the Acquirer and the Delisting Offer will be subject to receipt of such statutory or regulatory approvals. If the Public Shareholders who are not persons resident in India (including non-resident Indians, overseas

The Public Shareholders should attach a copy of any such approval(s) to the bid form,

The Acquirer reserves the right not to proceed with or withdraw the Delisting Offer in the event the conditions mentioned in paragraph 15 above are not fulfilled and if any of the requisite statutory approvals are not obtained or conditions which the Acquirer consider in their sole and absolute discretion to be onerous are imposed in respect of such approvals

 $Under \ current \ Indian \ tax \ laws \ and \ regulations, \ capital \ gains \ arising \ from \ the \ sale \ of \ the \ equity \ shares \ of \ an$ Indian company are generally taxable in India.

Capital gain arising from sale of listed equity shares in a company made on a recognized stock exchange on or after October 1, 2004, and on which Securities Transaction Tax ('STT') was paid at the time of sale was earlier exempt from tax provided that the equity shares were held for more than 12 months. The Finance Act, 2017 had amended Income Tax Act, 1961, as amended ("IT Act") to provide that the said exemption was available only if STT is paid both at the time of purchase and sale of such equity shares, subject to certain exceptions notified by the Central Government of India.

The Finance Act, 2018 has withdrawn the above capital gain tax exemption with effect from April 1, 2018. for any transfer of listed equity shares in a company, held for more than 12 months, on a recognized stock exchange occurring on or after April 1, 2018, the capital gain exceeding ₹ 1,00,000/- (Indian Rupees One Lakhs Only) are now taxable at a rate of 10%, subject to satisfaction of certain conditions.

STT will be levied on and collected by a domestic stock exchange on which the equity shares are sold. Further, any gain realized on the sale of listed equity shares held for a period of 12 months or less which are sold, will be subject to short term capital gains tax @15% provided the transaction is chargeable to STT. Tax deduction of source:

**In case of non-resident shareholders:** Under the existing Indian tax laws, any sum paid to a non-resident which is chargeable to tax under the provisions of IT Act is subject to deduction of tax at source, except for capital gains realized by the foreign portfolio investors or such gains/income which are exempt from tax. Since the acquisition of Offer Shares pursuant to the delisting process is through the stock exchange mechanism, the Acquirer will not be able to withhold any taxes, and thus the Acquirer believe that the responsibility of withholding/discharge of the taxes due on such gains (if any) is solely on the custodians/authorized dealers/non-resident shareholders without recourse to the Acquire

It is therefore important that the non-resident shareholders consult their custodian/authorized dealers/tax advisors appropriately and immediately pay taxes in India (either through deduction at source or otherwise). In the event the Acquirer is held liable for the shareholder, the same shall be to the account of the shareholder and to that extent the Acquirer is entitled to be indemnified.

Post delisting, the Equity Shares would be treated as unlisted shares and therefore, capital gain on sale of such unlisted Equity Shares (held for more than 24 months) would be taxable at 20% (plus surcharge and health and education cess) for residents in India and at 10% (plus surcharge and health and education cess) for non-resident in India. For Offer Shares held for 24 months or less, capital gain would be taxable at ordinary rate applicable for the shareholder. The provision of gain up to January 31, 2018, being grandfathered would not be applicable and therefore the cost of acquisition for Residual Public Shareholders would be price paid by Residual Public Shareholder for acquisition of Offer Shares. Please note while the resident shareholders are allowed the benefit of indexation on their original cost of acquisition, no such benefit is applicable for non-resident shareholders

On purchase of Offer Sharers from non-resident Residual Public Shareholders, the Acquirer would be required to deduct tax at source from the sale consideration unless the Residual Public Shareholder obtain a Nil Deduction Certificate from the tax authorities and furnish the same to the pay or prior to the remittance of the sale consideration. The amount of taxes deducted and deposited by the Acquirer can be claimed as credit by the Residual Public Shareholder against its final tax liability.

The above tax rates are subject to applicable rate of surcharge, health and education cess. The tax rate and other provisions may undergo changes.

Shareholders are advised to consult their tax advisor for the treatment that may be given by their respective income tax assessing authorities in their case and the appropriate course of action that they should take. The judicial and the administrative interpretation thereof, are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions, any such change could have different income tax implications. This note on taxation sets out the provisions of law in a summary manner only and is not a complete analysis or listing of all potential tax consequences of the disposal of equity shares. The implications are also dependent on the shareholders fulfilling the conditions prescribed under the provision of the relevant sections under the relevant tax laws, the Acquirer neither accept nor hold any responsibility for any tax liability arising to any shareholders as a reason of the Delisting Offer.
